Ref: AX10295

A unique opportunity to purchase a building that was previously a prominent four-bedroom house on the Plaza Placeta Nova in the heart of the popular village of Alcalali in the stunning Jalon Valley. This property is in need of total reform but gives the opportunity for a complete internal redesign to include a courtyard if required. Provisional consent has been given to restore back to a two-level family home but all plans are subject to town hall approval. The location is excellent and should be viewed if you are considering buying a property in the village. A Place in the (See Website for more Information)
