A beautifully restored three-bedroom Finca located on a plot of 19500m² in Llenes near to the town of Benissa. The finca has been sympathetically renovated to a high standard retaining many of its original features. The lower level consists of a dining area, living room, fully fitted modern kitchen, family bathroom, library/study and a master bedroom with ensuite facilities and dressing room. The upper level consists of two further bedrooms. An olive lined driveway leads to electric gates and to the front of the property where there is a covered naya overlooking the swimming pool. There is also a large (See Website for more Information)
