A contemporary four-bedroom villa located on a sought after residential area on the slopes of the Sierra Segaria, overlooking the small and peaceful village of Sanet y Negrals in the stunning Orba valley. This property has been developed and designed over three levels with an additional internal gallery giving this property a unique wow factor. The main living accommodation is on the middle level and consists of a large open plan lounge kitchen diner with vaulted ceilings and glass curtains that lead to a partly glazed balcony that has breathtaking views across the oranges groves of the Orba valley to (See Website for more Information)
