How would you like to wake up each morning to one of the most spectacular panoramic views of the Spanish Costa Blanca? Looking down onto the Mediterranean Sea, with the island of Ibiza on the distant horizon, this beautiful 300+ square metre home is constructed in the traditional Spanish style ... but with many stunning features influenced by the Moorish kingdom of Andalusia. A 'Patio Andalus' Internal Courtyard, with a marble fountain from Granada, is at the heart of the property, enclosed on two sides by a cloister supported by pillars surmounted with intricately carved filigree arches. Ground floor doors .... (See Website for more Information)
