A Stunning three bedroom finca located in the heart of the Benissa Costa. This 200-year-old finca has been beautifully restored using only the best materials with a view to preserving the traditional Spanish feel. On the lower level, there is an entrance hallway, office, bathroom, fully fitted kitchen which opens out onto a lovely courtyard. There is a living room with a traditional stone fireplace with a wood burner which leads to both the covered terrace and a fantastic winter or summer room which combines as a dining room and an additional lounge area. There are sliding doors that open (See Website for more Information)
